

## Gook Doo Sam Heong Society

### 谷都三鄉同鄉會

688 N. Kuakini Street, Honolulu, HI 96817-2204

**Mission:**

Assisting those in need, promoting Confucian values and philosophy, and reawakening interest in the language and cultural heritage of the members

**History:** Descendants of emigrants from the three villages Oo Syak (*Wushi* 烏石), Peng Larm (*Pinglan* 平嵐), and Kew Tow (*Qiaotou* 橋頭) in the Gook Doo (*Gudu* 谷都) district of Zhongshan province first gathered on December 6, 1953, in the old Mun Lun Chinese school auditorium, to form the Sam Heong Tung Heong Hui (*Sanxiang tongxiang hui* 三鄉同鄉會). Wah Hin Lum was the founding president; Others in leadership roles included Sing Leong Chang, Yuke See Chang, Wah hin Chang, Juk Chin Lum, and Yum sin Chang. Given the late start of this organization, most members were already well assimilated in Hawai'i, many likely having been born on the islands, but the impetus for its formation paralleled those of the older hometown societies.

**Activities** Among the events that draw members together are banquets to celebrate New Year's, Ching Ming (*Qingming*), and the annual installation of new officers. The New Year (Spring) banquet also honors an outstanding member of the society.

Meetings of the Society are usually conducted in Chinese. An ongoing project focuses on fundraising for a clubhouse.
